

ASHBOURNE 7 RAIL METAL FIELD GATE

SPECIFICATION SHEET

Experience the seamless blend of robust durability and exquisite craftsmanship with the Ashbourne 7 Rail Metal Field Gate, a pinnacle in the realm of metal field gates.

This unique design boasts box section ends, hole punched bracing, and a sturdy 50mm x 50mm box section hanging stile furnished with sleeved gate eye collars, reinforcing the gate's strength and longevity.

Designed with meticulous precision, each joint is fully robotically welded, a feature that ensures long-lasting durability and outstanding quality in the competitive landscape of metal gates. The entire gate is hot-dip galvanised, a process that entails coating the gate with a layer of protective zinc to prevent corrosion, guaranteeing a maintenance-free life. With an exceptional strength-to-weight ratio.

The Ashbourne 7 Rail Metal Field Gate is a versatile and practical solution for most livestock and equine situations. It's a common sight across the country, thanks to its excellent performance and trustworthy reliability.

METAL FIELD GATE POST OPTIONS

We have a range of metal gate posts suitable for hanging various gate fittings including hanging posts, slotted latch posts, auto catch posts and dual latch posts. All of our metal gate posts are made of quality steel and are designed to be strong and durable, suitable for agricultural and commercial use.

Slotted Post

- Hot dip galvanised
- Fully welded tops

Size	Code
88.9mm x 2000mm	GPS1G
114.3mm x 2000mm	GPS2G
100mm x 100mm x 2000m	GPS4G

Dual Slotted Post

Size	Code
114.3mm x 2000mm @ 90°	GPSD290
114.3mm x 2000mm @ 180°	GPSD2180

Ground Socket

- Hot dip galvanised
- 610mm long
- 3.0mm thick

Size	Code
88.9mm dia.	GPSKT1
114.3mm dia.	GPSKT2
100mm x 100mm	GPSKT4

Standard Hanging Posts

- Hot dip galvanised
- Fully welded hinges
- Fully welded tops
- 2 hinge styles available
- Spacings to suit Ashbourne field gates

Size	Code
88.9mm x 2000mm	GPH1G
" Inverted top hinge	GPH1RPG
114.3mm x 2000mm	GPH2G
" Inverted top hinge	GPH2RPG
114.3mm x 2286mm	GPH276
100mm x 100mm x 2000mm	GPH4G

Auto Catch Post

- Suitable for Ashbourne D Loop

Size	Code
88.9mm x 2000mm	GPA1G
114.3mm x 2000mm	GPA2G
