

Kits highly recommended

ECO POST

Entry level post suitable for most hinge jointed 8/80/15 & 30 stock fences. It can also be used for permanent electric fencing and rabbit fencing.

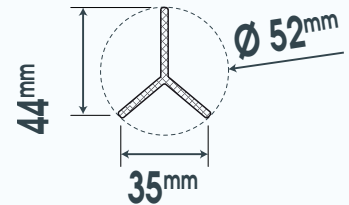

This ten clip post will suit most makes of hinge jointed wire, taking all eight lines of a hinge jointed 8/80 netting with two rows of barbed, electric or plain above.

Eco Post
CL2705

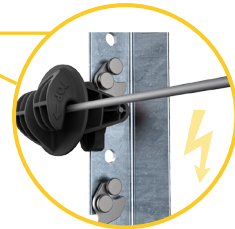

Eco - 10 Clips

- Length: 1.8m
- Weight: 2.59kg
- In ground depth: 580mm (fence height - 1.22m)
- Profile: 44mm x 35mm
- Thickness: 2.5mm

Cliplex Insulator

Exceptionally strong insulator with a stainless steel pin that is quickly attached to both wire and Cliplex post.

Please note:

Ideal for sheep fencing & perimeter fencing. Electric should always be used if fence is between adjoining paddocks. Not suitable for cattle, horses or larger livestock in dividing paddocks.

We suggest using the following wire netting with this post:

- Hinge Joint Medium Stock Fence C8-80-
 - Hinge Joint Light Stock Fence L8-80-
 - HT Hinge Joint Stock Fence HT8-80-
 - High tensile line wire
 - High tensile barbed wire
 - Mild tensile barbed wire
- } 15 or 30
