

Kits highly recommended

# ROCK POST

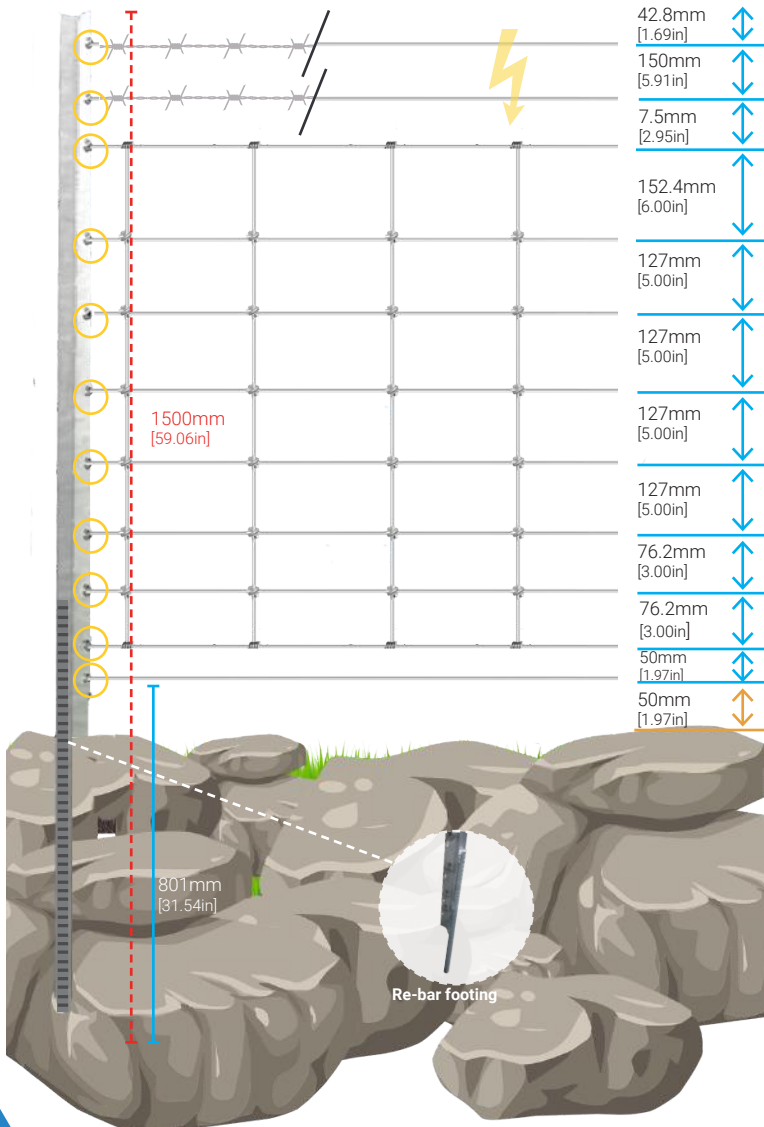

Specifically designed for installing over rocks or concrete. It is for use with 8/80 X fence stock fence mesh patterns but can also be used for permanent electric fencing, line wire, barbed wire or rabbit fencing.

## Rock - 11 Clips

- **Length:** 1.5m
- **Weight:** 4kg
- **In ground depth:** 250mm (fence height - 1150mm)
- **Profile:** 44mm x 35mm
- **Thickness:** 3.0mm plus 20mm Re-bar footing

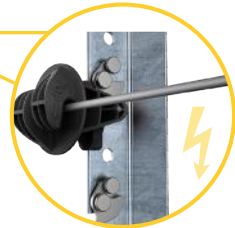

## Rock Post CL2716

## Cliplex Insulator

Exceptionally strong insulator with a stainless steel pin that is quickly attached to both wire and Cliplex post.

## Post cap

Enables the Cliplex post to have further electric lines or tape at the side, whilst also protecting livestock from possible injury. Locking wedge locks the cap in place.

## We suggest using the following wire netting with this post:

- X fence Stock Fence XHT8-80-30
- X fence Stock Fence XHT8-80-15
- X fence Stock Fence XHT8-80-22
- Forge Knot Stock Fence FHT8-80-15
- Forge Knot Stock Fence FHT8-80-22
- Forge Knot Stock Fence FHT8-80-30

\* Need to pre-drill hole then chem mix fixings
